- Parents are asked to attend lessons with their children the first year.
- In exchange for using the church's space, Kansas City Urban Strings has agreed to provide musicians for at least one church service per semester. Students may be asked to perform during one service per year.
- Any student who consistently causes a disruption will be asked to leave the program without a refund.
- Photographs and videos of students may be featured on our web site, social media, or on television.
- Tuition is based on enrollment, not attendance. Missed lessons may be made up another day if space is available but lesson fees will not be refunded for missed lessons. Please give 24 hours notice if a lessons must be missed.
